REMARKS

Claims 58-77 are currently pending in the subject application and are presently under consideration. Claims 28 and 35-57 have been canceled. A listing of claims is shown on pages 2-5 of the Reply.

The subject claims relate to Group I (Content Decoding Captioned Data Class 709, Subclass 206) (See Final Office Action dated April 13, 2007, pg. 2). For example, independent claims 58 and 77 recite a system that acquires information, and independent claim 69 recites a method for acquiring information. Thus, claims 58-77 are directed toward the same inventive concept and are directed toward the originally presented invention.

Accordingly, favorable reconsideration of the subject patent application is respectfully requested in view of the comments and amendments herein.

CONCLUSION

The present application is believed to be in condition for allowance in view of the above comments and amendments. A prompt action to such end is earnestly solicited.

In the event any fees are due in connection with this document, the Commissioner is authorized to charge those fees to Deposit Account No. 50-1063 [MSFTP122USA].

Should the Examiner believe a telephone interview would be helpful to expedite favorable prosecution, the Examiner is invited to contact applicants' undersigned representative at the telephone number below.

Respectfully submitted,
